The Honorable Mike Bost
House Committee on Veterans' Affairs
333 Cannon House Office Building
Washington DC 20515

Dear Chairman Takano and Ranking Member Bost,

Please accept this letter as a demonstration of total support of the Veterans of Foreign Wars Department of Colorado, in recognition of changing the name of the Veterans Administration Clinic in Aurora, Colorado currently called the Aurora Gateway CBOC Replacement (VHA19-554-2016-29466) to "Lieutenant Colonel John W. Mosley VA Clinic"

Renaming the Aurora Gateway Veterans Affairs Medical Clinic Replacement facility in respect to John W. Mosley is the ideal honor to bestow upon a legendary U.S. Air Force Tuskegee Airman who piloted bombing missions over Europe, North Africa, Korea, and Vietnam. Lt. Col. Mosley's life of service extended from his student days at Colorado State University in the late 1930s where he broke color barriers when he was elected class vice president in both of his junior and senior years to after World War II where he worked with the Truman administration to draft the policies that would fully integrate the United States Armed Forces and further in the Denver metro area late into his life.

Veterans of Foreign Wars, Colorado proudly supports legislation to rename the new Veterans Affairs replacement medical clinic in Aurora, CO as the John W. Mosley Aurora Gateway CBOC. Lt. Col. Mosley distinguished himself throughout his life with service to our country and community service efforts that improved the lives of all those who call Denver and Aurora home.

Lt. Col. Mosley was the embodiment of the U.S. Air Force Tuskegee Airmen values, loyalty, duty, respect, and selfless service to his fellow veterans and his country. The Veterans of Foreign Wars Colorado would like to honor his amazing legacy with our full support and encourage the committee to support legislation renaming the Aurora Gateway CBOC Replacement (VHA19-554-2016-29466) after this distinguished member of our State.
